SUMMARY

Motivated Computer Science student with strong skills in full-stack web development, specializing in the MERN stack, REST APIs, backend logic, and responsive UI design. Proficient in JavaScript,typeScript, Node.js, Express.js, React, MongoDB, MySQL, and version control with **Git/GitHub**. Completed a certified **Web Developer Internship**, gaining practical exposure to full-stack development, deployment, and industry workflows. Seeking opportunities to apply technical expertise and contribute to impactful software solutions.

TECHNICAL SKILLS

- **Programming Languages :** JavaScript, SQL
- **Frontend:** HTML, CSS, JavaScript, React , Bootstrap, Tailwind CSS
- **Backend:** Node.js, Express.js
- **Databases:** MongoDB, MySQL
- **Tools:** Git, GitHub, Postman

PROJECTS

Movie Ticket Booking Platform (MERN Stack)

- Built a full-stack movie ticket booking system with Clerk-based authentication, role-based access, and separate Admin/User modules.
- Developed REST APIs and admin features for movie upload, show scheduling, seat management, and booking control.
- Designed an interactive UI for users to browse movies, check availability, and book seats, ensuring smooth and conflict-free bookings.
- **Tech stack:** Node.js, Express.js, MongoDB Atlas, React.js, Tailwind, Vercel, Clerk
- **Live Project Link :** https://one-show.vercel.app/

MediTalk – AI Powered Healthcare Chatbot

- Built an AI-driven healthcare chatbot capable of understanding and responding to user queries through text, voice, and image inputs.
- Integrated secure authentication, multilingual support, and a clean UI using React + Tailwind for a smooth user experience.
- Configured and deployed a Supabase cloud database for real-time data handling and hosted the full application on Netlify for fast, reliable access.
- **Tech Stack:** React, TypeScript, Tailwind CSS, Supabase, PostgreSQL
- **Live project Link :** https://meditalk-healthcare-assistant.netlify.app/

EDUCATION

B-Tech in Computer Science (2022–2026)
GH Raisoni University, Amravati
CGPA: 7.5

Higher Secondary (2020-2022)
Shah Babu Junior College, Patur
Percentage: 85.67%

CERTIFICATIONS

- **Web Developer Internship – The Developers Arena (October-2025 – November-2025)**
  Successfully completed hands-on training in full-stack web development, project building, and industry workflows.
- **Introduction to SQL – SimpliLearn, 2024**
  Completed a foundational course covering SQL queries, database concepts, data filtering, table operations, and real-world database management practices.
- **Green Skills and Artificial Intelligence – Edunet & AICTE, 2025**
  Gained knowledge of sustainability concepts and AI fundamentals, focusing on eco-friendly technologies, digital skills, and practical AI applications.

ACHIEVEMENTS

- **Two-time Carrom Championship Winner** at inter-college/club level, demonstrating strong focus, strategy, and precision.
- Participated in multiple **coding quizzes** and **competitive programming events**, showcasing continuous learning and problem-solving skills.
