SUMMARY

Full Stack Developer with hands-on experience building and deploying real-world web applications and AI-powered solutions, gained through a 6-month Software Developer Internship. Experienced in developing scalable, responsive applications using the **MERN Stack** (MongoDB, Express.js, React.js, Node.js) and Python Flask, from frontend interfaces to backend APIs and databases. Contributed to **5+ deployed web applications**, implementing secure authentication systems, RESTful APIs, and clean architecture patterns. Familiar with Agile development practices, collaborative teamwork, code optimization, and delivering reliable, production-ready software solutions.

SKILLS

Programming Languages: JavaScript, TypeScript, Python, SQL

Frontend: HTML5, CSS3, React.js, Redux, Context API, Bootstrap, Tailwind CSS, Material UI, shadcn/ui, Responsive Design, Cross-Browser Compatibility

Backend: Node.js, Express.js, Flask, REST API Development

Databases: MongoDB, MySQL, PostgreSQL, Supabase

Tools & Platforms: Git, GitHub, Postman, Swagger, Figma, DB Designer, Vercel, Netlify, n8n

AI Tools & IDEs: ChatGPT, Gemini API, Cursor, Claude Code, VS Code

WORK EXPERIENCE

Iloma Technology — Hybrid

Jan 2026 - Jul 2026

Software Developer Intern

Nagpur, Maharashtra

- Contributed to **Kanrivo**, a coworking space management SaaS platform — built responsive React.js UI components for booking modules, member profiles, subscription plans, and billing dashboards; supported backend integration using Python Flask.
- Built a full-stack **21-Day Super Admin Panel** for internal staff — developed complete CRUD operations, user management, and an overview dashboard with role-based access control.
- Developed the frontend website for **Syslogix Electronics Pvt. Ltd.**, Nagpur — a defence and industrial electronics company — delivering fully responsive pages covering product catalogue, client listings, and company overview.
- Built a complete website for **SMK Insurance, Nagpur** — developed responsive frontend pages and integrated a functional lead capture form with backend form submission handling.
- Collaborated with the team to design and build **75+ RESTful APIs** using Node.js/Express and Flask, implementing features like multi-filter search, data classification, and bulk data operations.
- Implemented **JWT Authentication and Role-Based Access Control (RBAC)** to secure APIs and manage user roles effectively across projects.
- Built responsive React.js frontends using **component-based architecture** and **Redux for state management**, following clean **MVC architecture** for scalable and maintainable code.
- Managed version control using Git & GitHub (PRs, branching, merge conflict resolution) in an Agile/Scrum environment.

PROJECTS

Movie Ticket Booking Platform (MERN Stack)

- Built a full-stack movie ticket booking system with Clerk-based authentication, role-based access, and separate Admin/User modules.
- Developed REST APIs and admin features for movie upload, show scheduling, seat management, and booking control.
- Designed a responsive, interactive UI for users to browse movies, check availability, and book seats, ensuring smooth and conflict-free bookings across devices.
- Tech Stack:** Node.js, Express.js, MongoDB Atlas, React.js, Tailwind CSS, Vercel, Clerk
- Live Link:** <https://one-show.vercel.app/>

MediTalk - AI Powered Healthcare Chatbot

- Built an AI-driven healthcare chatbot capable of understanding and responding to user queries through text, voice, and image inputs.
- Integrated secure authentication, multilingual support, and a clean UI using React + Tailwind for a smooth user experience.
- Configured and deployed a Supabase cloud database for real-time data handling and hosted the full application on Netlify for fast, reliable access.
- Tech Stack:** React.js, TypeScript, Tailwind CSS, Supabase, PostgreSQL
- Live Link:** <https://meditalk-healthcare-assistant.netlify.app/>

EDUCATION

B.Tech in Computer Science (2022 - 2026)

GH Raisonni University, Amravati
CGPA: 7.5

Higher Secondary (2020 - 2022)

Shah Babu Junior College, Patur
Percentage: 85.67%

CERTIFICATIONS

- Software Developer Internship — **Iloma Technologies**, Nagpur (Agile/Scrum, MERN Stack, Flask)
- Full Stack Developer Training — **iLoma AI R&D Portal** (Claude API, LangGraph, RAG, Next.js)
